

LAUGHTON GREENWOOD

VOLUNTEER WITH US

Providing Access To Nature Is One Of Our Guiding Principles

MEMBERSHIP SECRETARY

Laughton Greenwood is a beautiful wood near to Lewes and Hailsham in East Sussex. It is one of the few community-managed woods in the county. Our aims are to improve the wood both for nature and for people. We want to see butterflies, newts, birds and bats thriving. We want to see a good mix of conifers and lovely English Oaks and other deciduous trees. And we want people to know that they can visit the wood and enjoy it.

Please join the management committee so we make all this happen. We need a MEMBERSHIP SECRETARY who can keep in touch with members. Useful skills would be –

- Able to use email.
- Reasonably computer literate, nothing complex but gmail, a simple spreadsheet etc.
- Efficient, friendly, tactful.
- We have committee meetings once a month, no-one attends all of them but its useful if you can come to most.
- We do already have a Secretary (who at present does meeting minutes etc) so in the future you and they might share out some tasks)
- We have a monthly Newsletter, a website and social media. If you'd like to get involved in writing for those that would be great.
- We set up occasional events, eg a day for children in the wood, a bird spotting walk, an acorn collection da. If you'd like to attend those, or help arrange them, that would be great.

We have committee meetings one evening a month, no-one attends all of them but it's useful if you can come to most.

We are a friendly bunch and will make you welcome. We won't give you more tasks than you are happy with. The committee are non-specialists & we work to preserve the wood for local people and future generations.

To learn more about the wood see our website –
